

**Raynes Park Business Breakfast
In partnership with the Raynes Park Association
Tuesday 23 October 2018**

Meeting highlights

The Raynes Park business breakfast continues to be a platform whereby businesses can exchange local information and news.

Chris Larkman – Raynes Park Association (RPA)

Chris continues to persevere with Network Rail for improvements to Raynes Park station. The main areas that need action are:

- The Embankment – Despite the embankment being cleared a number of years ago by Network Rail; the area has been left to become overgrown once again. The RPA are looking for a handful of volunteers to help with the clearance of the area. If any local business is prepared to help sponsor this activity they should contact Chris via Merton Chamber.
- Entrance to the station
- Paint the footbridge
The RPA has met with Network Rail to discuss what it would cost to improve and repaint these areas. Unfortunately, the cost that has come back is prohibitive at £150k for the station entrance, and £250k for painting the bridge.

On the north side of the station, the communal recycling bins will be removed shortly. Whilst on the south side, improvements will continue over the next six months, including the footpath from the station to the bus stop on the station side of Approach Road.

Tony Edwards – Planning Update

Major planning applications in the Raynes Park area include:

- The All England Club sports fields, Grand Drive. Major application for a new club house, car park, second air dome, groundsman's maintenance buildings and courts on the sports fields off Grand Drive. Outcome: *Approved. Work progressing on S106*
- 557 Kingston Road, Dundonald Church. Proceeding to finalising the S106 for a new church with flats above and then issuing planning permission. No progress since last update.
- 559-589 Kingston Road – old Manoplastics site and land to the west. Work commenced on sorting out the S106. There is also a second application for 103 units which is now in abeyance. The developer will review whether to withdraw the second application pending the outcome of work on the S106. Following a successful meeting with the applicant's team, officers are now confident that the appeal can be avoided and that permission should be ready to issue within the next week.
- South side of Wyke Road (plan appendix A)– construction of a three apartment blocks – two/three storey blocks and one four storey block containing 10 x 1 bedroom

flats. The application has been amended, with a recommendation to approve subject to completing a section 106.

- Rainbow Industrial Estate – no further news.
- 80-86 Bushey Road – Major retail and food/drink development. Most unoccupied buildings have now been demolished. Unclear still as to how the approved scheme might progress for the time being as occupied buildings, like Pets at Home, remain and the scheme would need to somehow work around these.
- 32-34 Bushey Road – 34 flats. Consultation completed and case officer is meeting with the developer to discuss concerns.

Police Update

ADDITIONAL INFORMATION: Raynes Park Safer Neighbourhood team update

- Fake £50 notes are doing the rounds in the area.
- Shop lifting is continuing from co-op and Waitrose
- Shed are being broken into for bikes and tools.

If you know of any other activity in the area please let the Raynes Park SNT know – email: raynespark.snt@met.police.uk

Also they are still looking for new members for the Raynes Park Ward panel. Again, if you are interested please let the team know.

Counter Terrorism

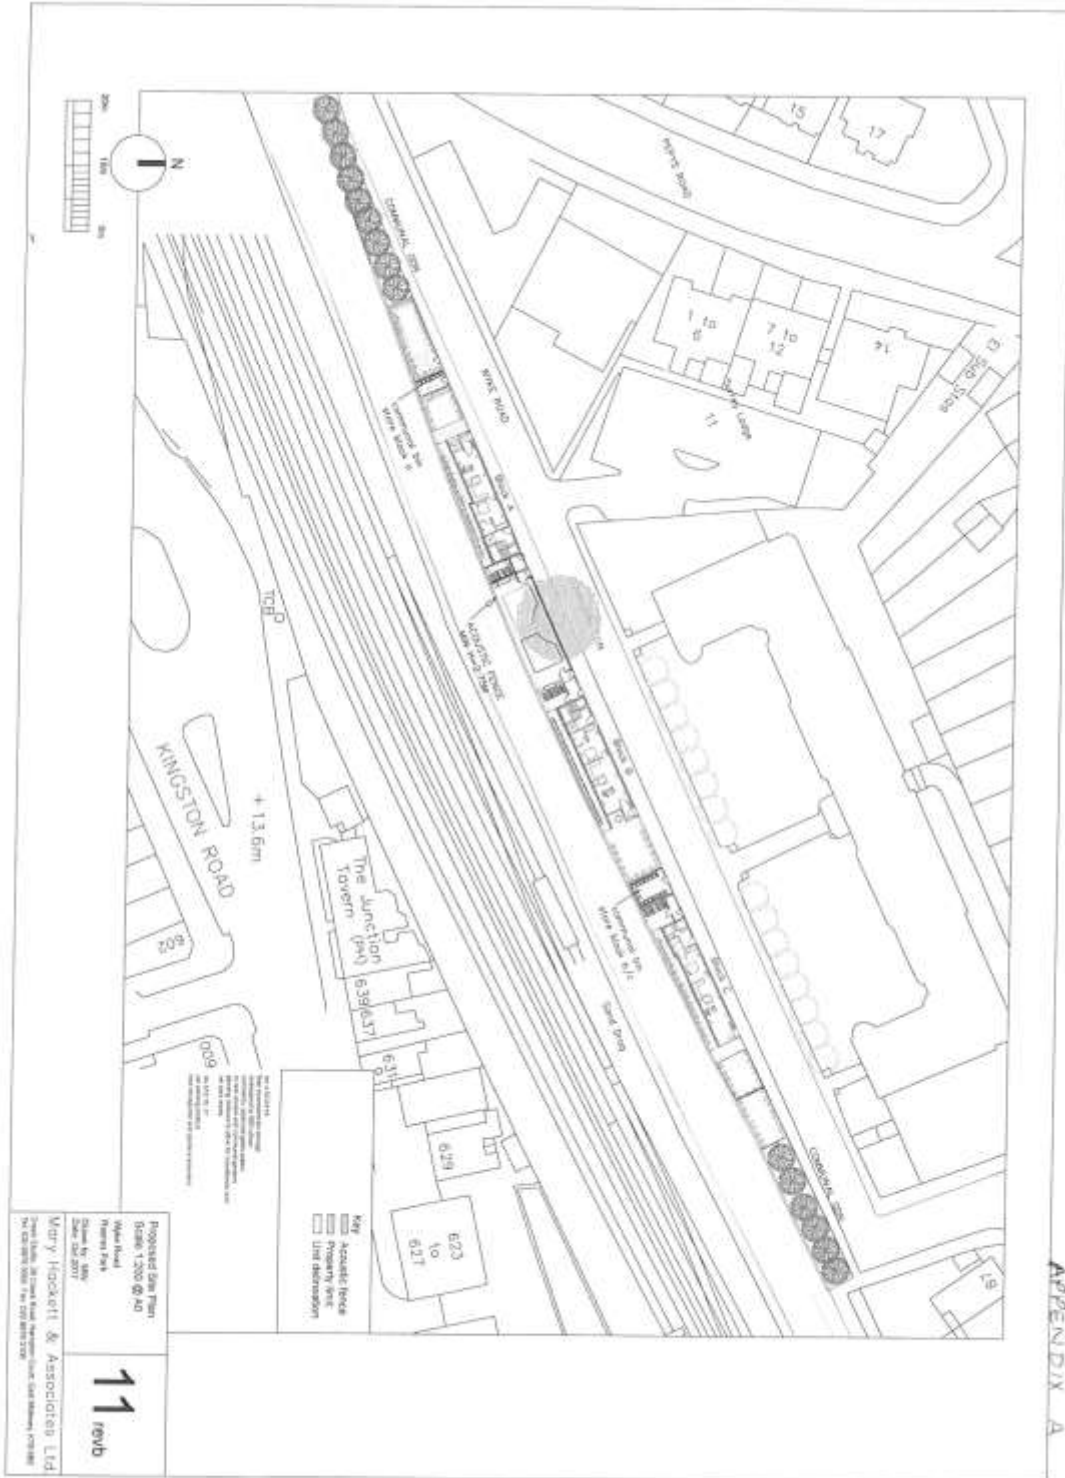

The security level in the UK remains at 'severe'.

The Counter Terrorism team are able to offer the local business community free awareness training, formerly know as Project Griffin, now ACT-Action Counters Terrorism to help employers and employees play their part in reducing and responding to the most likely types of terrorist activities.

DATES FOR YOUR DIARY
